4-H/FFA Livestock Drug Withdrawal/Ethics Form

I am aware of the following:

In regard to the use of animal health aids, growth promotants, or other livestock related substances:

- ★ Chemical substances used in livestock production, disease prevention, or disease control have approved withdrawal times before slaughter.
- ★ Information on specific use and withdrawal times can be found on product label instructions.
- ★ Unauthorized use of tranquilizers and other non-approved substances should not be used for food animals.
- ★ The end product that results from my market animal project is a food product, and I am responsible for producing a wholesome and safe food product for the consumer.

Therefore, I certify that the animals I bring to this show have:

(Please check one)

_____ while in my ownership, never been given any substance which required a withdrawal time before slaughter.

_____ complied with legal withdrawal times in the use of one or more approved chemical substances for animal health, growth promotion, or other livestock management practices. Eartag Number(s) of Animal(s) _____

Product(s) Used _____
