Attention All 4-H’ers!

Stevens County Fair is July 25 - 30
Fair Work Day is Monday, July 25th

The Fair Theme is: ‘Red, White, and Moo’

Fair Pre-Entry and Exhibit Information

The Stevens County Fairboard requires that entries in the 4-H/FFA Division be pre-entered by Friday, July 1 at 5:00 p.m. Any pre-entries received after that time will be accepted in the Open Class Division.

If you need space for a booth, be sure to pre-enter your booth before 5:00 p.m. Friday, July 1, along with your other entries.

Each 4-H’er may exhibit up to three animals in each livestock specie.

A 4-H pre-entry form is included in this letter. An email, text and facebook will let you know when your fairbook is ready to pick up at the Extension Office; check for changes in the projects you plan to enter.

Fair Consultation Judging

ALL 4-H photo entries will be judged from 9:00 am to 12:00 noon on Tuesday, July 26th in the 4-H Building. You must submit your 4-H photos for judging, and you may select up to three of the entries for optional consultation with the judge.

Foods Consultation will be Tuesday, July 26th from 1:00- 4:30 p.m. at the Fair Office. ALL 4-H Foods related exhibits are due at this time, you may visit with the judge, or just submit your entries.

4-H Clothing and Textiles Judging, consultation optional, will be Wednesday, July 27th from 1:00-4:30 p.m. in the 4-H Building. ALL items, including clothing, pillows, sewing kits, etc., need to be entered in the 4-H Building by Wednesday morning before it closes at 11:00 a.m.

4-H Record Books

Don’t forget that an up-to-date record book is a required 4-H exhibit to be judged at the Fair, in order for you to be eligible to enter your other project exhibits in the 4-H Division at the Fair.

Project books will be displayed during the Fair. Be sure to take your record book home after the Fair. Then all record books are to be updated with county and state fair results, and are due to the Extension Office from Monday, August 15th, to no later than Tuesday, September 27th for year pins, and the optional judging for achievement pins and county awards. Please call If you have any questions.

Fair Pictures Available

With the approval of the Stevens County Fair Board there will be an “official” Fair Photographer available to take pictures of 4-H’ers and their livestock.

Dandi Thomas, a former Morton County 4-H member will take 300-500 pictures of you and provide you with a disc of those pictures for $40. Additional 4-H family members can be added to the disc for $10 each.

Families are responsible to make all arrangements with Dandi to have your pictures taken. She can be reached at 620-513-1283, dandislivestockphotography@gmail.com, or find her on facebook.

Poultry Exhibits

Open Class and 4-H Poultry exhibits will be tested for Pullorum or Typhoid, a requirement of the Kansas Poultry Disease Control Act, before they will be admitted on the fairgrounds this year.

On July 13 there will be testing available at the Fairgrounds from 9 am to 12 noon. Poultry project members will receive a mailing with the information.
4-H Food Auction

In order to receive foods fair premium money, each 4-H foods exhibitor must participate by helping to carry the foods as they are sold in the 4-H Foods Auction, **Wednesday evening, July 27th.** Meet in front of the Fair Office before 8:00 p.m.

Our foods buyers enjoy seeing all the 4-H’ers who were bakers. This event is a major source of the income that supports our camp scholarships and other 4-H Council expenses.

Market Goat, Sheep and Swine Scale

The 4-H Council has a livestock scale. If you need to check the weights of your goat, sheep, or swine projects, call the Extension Office to schedule the scale.

Rule 6. on page 47 of the fair book: All exhibitors must have their animals in the following weight categories to sell at the 4-H/FFA Livestock Sale, but not to exhibit in their respective classes at the fair:

- **Beef** 1000 pounds and over
- **Sheep** 90 to 150 pounds
- **Swine** 220 to 290 pounds
- **Goats** 50 pounds and over

The 4-H Livestock Sale

Friday, July 30th at 6:30 p.m. in Kinser Arena is the 4-H Livestock Sale. Don’t just assume that buyers will come. Be sure to visit with prospective buyers for the Livestock Sale.

Fair Junior Assistant Superintendents

Here is the list of Fair leadership assignments. Let us know if you are not listed and you would like to help. This is for 4-H members age 12 and older.

Please work to help set up in your assigned department on Monday, July 25th, according to how your superintendent needs you. You need to be available to help all day Wednesday when you are not involved in other activities. Some departments need more help than others to set up, and during the fair, so please be available and help everything run smoothly. If you have a conflict in scheduling, try to trade duties with someone; but please let us know what your changes are. Thanks for your help.

Horse Project

Summer Work nights - We will be starting summer work nights on Wednesday, June 15, at 6:30 pm at the fairgrounds. We will have work nights each Wednesday until our County Fair Horse Show. Bring your horse and be prepared to learn and have fun!! Horseless Horse youth are encouraged to attend these practices, also.

Photography Exhibits

Photo mats are available at the Extension Office for 4-H projects. Each 4-H photography project member can request up to 10 mats free. More than that, and for all open class entries, the price is $1.00 each.

Fashion Revue

The Fashion Revue judging will begin at 9:00 a.m. on Thursday, July 21st at First Christian Church, 600 S. Van Buren in Hugoton. The Public Revue will be at 7:30 p.m. in the evening at Memorial Hall.

All entry pictures and scripts are due in the Extension Office by Wednesday, July 13th, to guarantee inclusion in the judges' folders. The pictures are used to determine top placings, and the scripts and judges' folders must be finalized by Wednesday in order to mail competition schedules.

Entries completed after Wednesday may not be considered for Champion placing, and the script provided may not be read at the Public Revue. Please remember that the Public Revue is part of the project, and members must participate to receive Fashion Revue premium money.

Set decorators are needed for the Public Revue; let Nancy know if you want to help.

New Fair Foods Contests

For 4-H members there are a couple of new foods opportunities at the fair. The Frances Russell Memorial Whole Wheat Bread Contest offers an additional cash prize, and you can also enter in the Open Class Division in the King Arthur Flour Brownie Baking Contest.

I hope to see lots of participation in both!

Foods Project Events

Picnic 101

4-H’ers of all ages and from five other counties will work together to create a Picnic Meal. This multi-county meeting will be Friday, June 17th at 9:30 a.m. at the 4-H Building in Hugoton. Registration fee is $10, due by June 10th. The deadline is extended to June 14th.

Cake Decorating Workshop

Emma McClure will teach a cake decorating workshop for 4-H members age 10 and older from 9 am to 12 noon on Monday, June 27th at the 4-H Building. You will need to bring a frozen 9 x 13 cake or two round or square layer cakes. Have your cakes on a flat surface you can use to decorate your finished project.

There is a $25 charge, and you will receive a decorating spatula, several tips, an icing bag, and your frosting. Or for $10 you can get just the frosting. The deadline to register at the Extension Office is Friday, June 17th, please call the Extension Office at 544-4359.

Livestock Show Notes

+ See attached 2016 Requirements for Kansas County Fairs Livestock for example items that the veterinarians will be looking for during the livestock check-in at the fair.

+ The Kansas State Fair Livestock Show is September 9th-11th. Show entries for successfully nominated beef, goats, sheep and swine must be sent to the Kansas State Fair Office by July 15th. Entries received after July 25th will cost $25 per head, and must have been nominated by May 2 and June 15, 2016.

+ The Kansas Junior Livestock Show will be September 30 to October 2 at the Kansas State Fair Grounds in Hutchinson. Show rules and entry forms will be available later at the Extension Office. Entries will be due August 15th. Contact the Extension Office for details. Animals must have been nominated by May 2 and June 15, 2016.

Please remember! If you receive a State Fair Purple at the County Fair and want to exhibit in the 4-H Division at Kansas State Fair, you must contact us before the August 10 deadline, so we can get your exhibits pre-entered. All exhibits, except beef, goat, sheep, swine and horse, are pre-entered by internet at the Extension Office, before August 10th.
STATE FAIR PRE-ENTRY DEADLINES

The Kansas State Fair is September 9 - 18, 2016 at the State Fairgrounds in Hutchinson. All exhibit classes are open to 4-H’ers ages 9-18 years as of January 1, 2016. All exhibits going to State Fair must be pre-entered, and the required entry fees paid by these dates:

2016 Project Record Book Requirements

Put your record book in the following order:

- personal page
- general overall 4-H Story, double-spaced, up to three pages
- up to three pages of general 4-H Pictures
- permanent record
- current year’s records
  - a project record that includes a project story, for every project, arranged alphabetically
  - For each project, members can choose to complete the regular Kansas Award Portfolio, appropriate for their age, or last year’s new form, Stevens County Simplified Project Page.
  - Record books may contain all KAP records, all Simplified records, or a combination of both, according to personal preference.
  - the Stevens County Simplified Project Page may have up to three pages of pictures

4-H’ers can concentrate on some projects that hold more of their interest, and work hardest on those records to compete for County Champion. They can choose to use the simplified form for projects they like, but are not as involved in, and spend less time on filling the forms. However, the simplified project forms will not be judged for the county awards, including points toward achievement trips.

Here are some general tips for completing your record books:

- Have your book up-to-date at Fair time.
- Personal page and project records should be signed by leaders or parents.
- Remove all past years’ records and keep them at home in another notebook.

Livestock Quality Assurance (LQA) Requirement

Any 4-H member selling animals in the Fair Livestock sale must take the online LQA by July 1st including market beef, bucket calf, market sheep, market goat, poultry, and rabbits. Market beef and bucket calf will be under the Beef component. If you sell two species you will need to complete the LQA courses for those species. For example: you plan to sell a pig and a goat, you will need to complete the courses for Swine and Goat. Youth Pork Quality Assurance is required for all market swine going to additional state or national events (Examples: Kansas State Fair, Kansas Junior Livestock Show, and etc.). For those events PQA must be completed by June 15. Please contact Josh if you need PQA. The youngest listed age section is 8-10 for the LQA courses. We are requiring 7 year olds to complete the courses under this age grouping. We have reports from other counties that their 7 year olds where able to complete the courses. See the included information sheet for more details on how to get set up for the courses. Please contact us at the Extension Office if you have questions.

**Online LQA Training Info:**

- There is a $5 fee per youth per class to use this option. You must pay this fee to register for the class. You can use a credit or debit card or there is an option to pay by check. There are no refunds for youth who complete classes in the wrong age group or who complete the wrong modules. This fee covers you for the entire year. If you have to take the class next year you’ll have to pay the fee again at that time.

- Each youth will need to complete the class individually, completing as a group is not an option because the program tracks each youth individually. Youth must complete the required modules class to be considered complete.

- Each youth will need their own email address. More information on this is in the attached information.

- Print off your completion certificates and keep them for your records. The County Extension office will get a record of all classes completed but it’s always good to keep your certificates.

- Information and instructions on registering and completing the course are attached. If you have trouble registering or with the course you will need to contact UNL directly (1-855-308-8037 or lqa@unl.edu; M-F, 8 am-4:30 pm CST).

- Attached are the instructions for getting registered.

- A helpful video on the registration process is also available here [https://www.youtube.com/watch?v=8gkY13FOMzs&feature=youtu.be](https://www.youtube.com/watch?v=8gkY13FOMzs&feature=youtu.be).
• Each module takes 5-10 minutes and you can take the additional modules and study materials if you would like. You don’t have to complete all modules at once, you can come back at any time and finish them using the login information you sign up with.

Poultry

The State wide Poultry Ban has been lifted for county fair this year, we will have poultry and egg classes again, at the Stevens County Fair. Listed below, are the requirements for poultry. This will be listed in the fair book. We will be requiring this paperwork to be submitted with pre-entries on July 1st. We are in the process of trying to get a state testing person available to come test birds that will need testing, hopefully at no charge. This will more than likely be a one day only event, so be watching for more information.

• Originate from a U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-2, certifying all birds in the flock over four months of age have had a negative test for pullorum-typhoid within the past year.
• Present evidence that the entries were purchased from a U.S. Pullorum-Typhoid clean source and have been the only poultry on the premises (Presentation of a VS 9-3 Form received when poultry were purchased).
• Present an official VS 9-2 Form, signed by an official testing agent showing the entries have had a negative pullorum-typhoid test within the proceeding 90 days

Goats

All goats will now have 50 pound minimum weight requirement to be eligible for the Grand Champion Drive and to be in the livestock sale. All market goats must also have milk teeth present.
Livestock Quality Assurance Moodle Course

The Livestock QA Team is proud to introduce a new online version available to 4-H and FFA youth to complete their Livestock Quality Assurance Requirement. Livestock Quality Assurance is a self-directed course designed for youth ages 8-18. Participants will learn about good production practices and producing quality food products from taking this course.

The course has been divided into three levels, Junior (4-H Youth Ages 8-10), Intermediate (4-H Youth Ages 11-14), and Senior (4-H Youth Ages 15-18). Each year youth will be required to complete three modules within their age level. Youth are eligible to work ahead so that they will be done with Quality Assurance requirements until they reach the next age level.

Requirements:
Internet access
Email address (Each 4-Her will need their own unique email address to register. See FAQ section for unique email suggestions.)

How to Register:
1. Open your web browser to http://campus.extension.org
2. Click “Create New Account” (See Figure 1)
3. Complete the online form and click the “Create My New Account” button at the bottom of the page.
4. Check your email account for a confirmation email from cExtenson Campus Help Desk.
   a. If you do not see a confirmation email within 2 hours, check your junk/spam folders first, then email campushelp@extension.org with your username and email address, and ask for a manual confirmation.
5. Open the email and click on the confirmation link provided to confirm your account.
6. A web page will open indicating that “Your registration has been confirmed”.
7. In the upper right hand corner, you will need to search for the “Livestock Quality Assurance” course (See Figure 2).
8. Click “Enroll Me”
9. Scroll Down to “Course Payment”.
10. Click “Course Payment Link” to pay your annual enrollment fee through UNL Marketplace.
11. Follow the onscreen directions for the course payment through UNL Marketplace.
12. Within the Livestock Quality Assurance course click “Code Redemption Link” and enter the redemption code provided to you in the confirmation email from UNL Marketplace.
13. You now are fully registered for the course and can complete your course requirements.

FAQ:
Q – Will youth be able to use the same Quality Assurance login and password throughout their 4-H career?
A – Yes. It is also important for youth to retain this information, as county staff will not be able to retrieve this information for them.
If you have lost your password, click the “Lost password?” within the “Login” block.

Q – I went through the materials for one of the modules listed within my age level, now what?
A – The quiz associated with these materials will be listed directly under the module title. Complete the quiz.

Q – What do I need to do to get credit for each module?
A – You will need to pass the associated quiz with a score of 80% or higher.

Q – I didn’t pass my quiz, now what?
A – You can decide whether you want to return to the materials and review them again prior to attempting the quiz again, or select to try a different module instead.

Q – How do I receive credit for the modules I have passed?
A – Once you have passed a module quiz with an 80% or higher, you will be able to open the certificate associated with that module. Please print (or email) this certificate and present it to your local county extension office by June 15th (check this date at your local office) of the year you would like to receive credit.

Q – I’m completing the course at a computer that doesn’t have a printer, what do I do?
A – You will always have the option of emailing your certificate, however, you may also open the Livestock Quality Assurance Moodle course at another computer, print the certificate, and take the certificate to your county extension office. However, if neither of these options are available to you, your county will receive a spreadsheet of all youth completing the Livestock Quality Assurance modules.

Q – How many modules must I complete this year?
A – You will need to complete at least three unique modules at your age level each year to officially complete your Quality Assurance requirement. Feel free to work ahead and turn in your completion certificates early!

Q – Who has to take 4-H Quality Assurance?
A – All youth showing in a livestock meat project must complete Livestock Quality Assurance (Beef, Sheep, Swine, Rabbit, Poultry, and Meat Goat) or a dairy project (Dairy Goats or Dairy Cattle).

Q – Who can I contact if I have questions about Livestock Quality Assurance?
A – You may contact Kama Dam at kdam2@unl.edu or Deb Weitzenkamp at deb.weitzenkamp@unl.edu

Q – I don’t have an email account.
A – You may register for a free email account from any of the following providers:
   - Gmail http://mail.google.com
   - Hotmail http://www.hotmail.com
   - iCloud http://www.icloud.com (Apple/Mac users)

Q – I have multiple children and I don’t want to sign them up for an email account.
A – Many email account allow aliases. For instance, if you have a Hotmail account myaccount@hotmail.com and you have three children, you can list one child as myaccount+1@hotmail.com another as myaccount+2@hotmail.com or with their actual names myaccount+1isa@hotmail.com. All four email addresses will confirm through the one primary account, in this case myaccount@hotmail.com.
I'm Registered, how do I find the Livestock Quality Assurance Course again after today?

1. Open a web browser and go to http://campus.extension.org
2. Login in the upper left hand corner with your login and password.
3. Within the “Navigation” block, you can click “My courses” to find all eXtension courses for which you are registered.
4. If you are registered for other classes as well, click the “Livestock Quality Assurance” link located under “My Courses” at the bottom of the page.
5. There is an annual fee for participating in Livestock Quality Assurance. Therefore, you will need to go to the “Course Payment” area of the class, and complete the online instructions to pay the enrollment fee.

I'm Registered, and know how to login, but where can I find which modules I’ve already completed?

1. Open a web browser and go to http://campus.extension.org
2. Login with your username and password
3. On the navigation bar, click “Grades”. A complete listing of all of your grades will be available so you can see which modules you have previously completed.

2016 RECOMMENDED REQUIREMENTS FOR KANSAS COUNTY FAIRS

KANSAS ORIGIN LIVESTOCK

GENERAL REQUIREMENTS
All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit. A certificate of veterinary inspection (CVI, health paper) issued by a licensed and accredited veterinarian in the state of origin within 30 days before the exhibition and any additional requirements shall be county options.

CATTLE AND BISON
The Kansas Department of Agriculture Division of Animal Health (KDAH) requires no tests on cattle and bison of Kansas origin. Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.

SWINE
Swine originating in Kansas must meet the general requirements. Kansas has obtained Stage V status in the National Pseudorabies Program, and the state is classified free of swine brucellosis. Negative pseudorabies and brucellosis tests are not required for Kansas origin swine.

SHEEP
In addition to the general requirements, all sheep shall:
- Be free of any signs of sore mouth
- Be free of signs of active fungal (ringworm) infection, including club lamb fungus
- Be identified with an official USDA premises identification tag. Lambs under eight weeks of age accompanying their dams are exempt from tagging requirements.

GOATS
In addition to the general requirements, all goats shall:
- Be free of any signs of sore mouth
- Be free of signs of lesions of ringworm, warts or infestation of mange
- Be identified with a registered tattoo or an official USDA premises ID tag. Kids under eight weeks of age accompanying their dams are exempt from identification requirements. Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection.

HORSES
Horses shall meet the general requirements. *A negative test for equine infectious anemia (Coggins Test) within 12 months prior to exhibition should be considered, but it is not required by the KDAH. Counties also may want to consider requiring vaccination for West Nile Virus, but this is not required.*

POULTRY
All poultry, except waterfowl, must show proof that they are pullorum-typhoid clean by one of the following methods:

- Originate from a U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-2, certifying all birds in the flock over four months of age have had a negative test for pullorum-typhoid within the past year.
- Present evidence that the entries were purchased from a U.S. Pullorum-Typhoid clean source and have been the only poultry on the premises (*Presentation of a VS 9-3 Form received when poultry were purchased*).
- Present an official VS 9-2 Form, signed by an official testing agent showing the entries have had a negative pullorum-typhoid test within the proceeding 90 days.
- If an official tester is on-site at the county fair, entries may be tested prior to entry into the facility. A VS 9-2 Form must be completed for each entry. If any birds in an entry test positive for pullorum-typhoid, the entire entry as well as all other birds from the same premises will be refused. *Therefore, it is strongly recommended that birds be tested prior to arriving at the fair.*

LIVESTOCK ORIGINATING FROM OTHER STATES

GENERAL REQUIREMENTS
All livestock entering Kansas should follow all KDAH import requirements. The import requirement list is available at [www.agriculture.ks.gov/animalhealth](http://www.agriculture.ks.gov/animalhealth) or by calling KDAH at (785) 564-6601. In addition, all livestock must meet the following requirements:

- Be free of clinical signs of infectious or contagious disease. Animals with lesions of ringworm, warts, infested with mange or any other infectious or contagious disease, as determined by exhibition staff, will not be permitted to exhibit.
- Be accompanied by a CVI issued within 30 days before exhibit. This must be available, upon request, to the exhibition staff.
- All cattle, swine, sheep and goats, including steers and spayed heifers, must be individually identified by a USDA-approved ear tag (metal, 840-compliant, or premises tag), official breed registration tattoo or tag, or breed association ear notch for swine.
- All identification numbers must be individually listed on the accompanying CVI.
- If registration tattoos are used, the registration papers must be available for inspection, and both the FULL registration number and tattoo number must be written on the CVI.
- All required tests must be conducted by a state-approved laboratory.
- TB testing, if required, must be conducted by a veterinarian who is licensed and accredited in the state of origin.
- All animals are subject to examination by the exhibition staff or their representatives.

CATTLE AND BISON
All cattle and bison entering Kansas must meet the general requirements.

SWINE
In addition to the general requirements, all swine entering Kansas must meet one of the following:
• Originate from a qualified pseudorabies-free/validated brucellosis-free herd. The current qualified/validated number must appear on the CVI. (Hogs from monitored pseudorabies herds do not qualify under this requirement.)
• Originate from a state of Stage IV or V status in the National Pseudorabies Program.
• Originate from a Swine Brucellosis free state
• Any swine not originating from Stage IV or Stage V Nation Pseudorabies Program states, and any swine not originating from swine brucellosis free states, must show evidence on the CVI that swine have been tested negative for pseudorabies (by serum neutralization) and brucellosis within 30 days before entry into Kansas, and that the herd of origin has had no positive cases of pseudorabies within the previous 12 months.

NOTE: SWINE VACCINATED FOR PSEUDORABIES SHALL NOT BE ALLOWED INTO KANSAS FOR EXHIBITION OR ANY OTHER PURPOSE.

SHEEP
In addition to the general requirements, all sheep entering Kansas must meet one of the following:
• Be free of any signs of “sore mouth”.
• Be free of signs of active fungal (ringworm) infection, including club lamb fungus.
• Be identified with an official USDA premises ID tag.

GOATS
In addition to the general requirements, all goats entering Kansas must be identified with a registered tattoo or an official USDA premises ID tag. Goats identified with registration tattoos must have legible tattoos and must have the registration papers for these animals available for inspection.

HORSES
In addition to the general requirements, all horses entering Kansas must show evidence of a negative EIA (Coggins) test conducted by a state-approved laboratory within 12 months before entry into Kansas. Foals, six month of age and younger, accompanying their EIA-negative dams, are exempt from EIA test requirements.

POULTRY
All poultry entering Kansas, except waterfowl, must show proof that they are pullorum – typhoid clean by one of the following methods:
• Originate from a NPIP certified U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-3, certifying all adult poultry in the flock have had a negative test for pullorum-typhoid within the past year. (Adult poultry are any turkeys over 12 weeks of age and any other poultry over 16 weeks of age.)
• Be accompanied by an official VS Form 9-3 signed by the official NPIP representative in the state of origin or by a health certificate that has been issued within the previous 30 days.
• In addition to the VS 9-3 or CVI, out-of-state poultry must have a "Permit to Ship Poultry or Hatching Eggs" issued by the KDAH within the previous year or a permit number issued by the KDAH office within the previous 15 days.
First 4-H Day with the Kansas City Royals

Missouri and Kansas 4-H members, parents, volunteers, supporters, and alumni will gather at Kauffman Stadium on Saturday, September 17th for the first 4-H Day with the Royals.

The World Series Champion Royals will be playing the Chicago White Sox in a 6:15 pm game. Tickets for the game will be $35 each and include a specially designed t-shirt featuring the 4-H Clover on the back and the Royals emblem on the front.

Pre-game ceremonies will include a 4-H member, and the Royals give-away item is an adult Royals pullover for the first 15,000 fans 16 and older to be admitted. Tickets must be ordered on the 4-H Day with the Royals order form online at extension.missouri.edu/saline/royal.aspx, or, for credit card orders at http://tinyurl.com/gt4e7k9. Ticket orders must be postmarked by August 1, 2016. They usually sell out before the deadline, so order early. 4-H groups who would like to be seated together must send their orders on the same form. Prizes being raffled are listed on the form.
